## PLEASE NOTE:

- Students are required to take 1 hour of PEDB that is not included in the total credit hours.
- All UGA students must fulfill Core Requirements, University-wide degree requirements, and both a Multicultural Literacy and Environmental Literacy requirement in addition to the requirements for their majors. Please visit the student section of the Franklin College website ([www.franklin.uga.edu/students/index.htm](http://www.franklin.uga.edu/students/index.htm)) to view these extra requirements. Bear in mind that only courses at the 1000 or 2000 level satisfy the Core.
- Bachelor of Music candidates with a major in Composition are expected to satisfy the requirements of Franklin College in addition to the University Core Requirements, as listed on the Franklin College website, <http://www.franklin.uga.edu/students/grad/require.htm>.
- A total of 39 upper division hours (courses numbered 3000 and above) is required for graduation.
- This Program of Study is only a reference. You and your advisor should use it in conjunction with the online UGA bulletin for the most current listings of courses, descriptions, prerequisites, and preferred or recommended courses for each category.
- All music students are required to pass a piano proficiency exam, including keyboard majors.
  - Non-Keyboard concentration: Successful completion of MUSI 2530 (fourth semester of class piano) or the piano proficiency examination. Four semesters of Piano Class (MUSI 2500, 2510, 2520, 2530) fulfills *both* the piano proficiency and the secondary applied requirements.
  - Keyboard concentrations should enroll in MUSI 3470 or officially challenge the course.
- Keyboard majors traditionally take Voice Class (MUSI 2400, 2410, 2420, 2430) for their secondary applied instrument credits. Other options can be explored with the student's advisor.
- For a complete list of large and small ensembles at the University of Georgia, visit the Ensembles page on the School of Music website. Some of these groups require an additional audition.

## Footnotes to Course Checklist:

- \* ENGL 1102M fulfills the Multicultural requirement.
- # ANTH 1102 fulfills the Environmental Literacy requirement.
- + Students who have not met the Georgia and U.S. Constitution requirement by examination should enroll in POLS 1101.
- ^ HIST 2111, 2112: A passing grade on an examination on the history of the United States and Georgia is required to satisfy the United States and Georgia History Requirement for all those receiving a baccalaureate degree from UGA, unless exempted by passing HIST 2111 or HIST 2112. Examinations are given to freshman each semester by the History Department; exam dates are listed in the *Schedule of Classes*.
- ~ A course in Literature is required to satisfy Franklin College Requirements.
- ^^ A Biological Science and a Physical Science course are required to satisfy Franklin College Requirements.
- f Students must demonstrate competency in a foreign language equivalent to completion of the third semester of study at the University of Georgia. This requirement may be met by satisfactory scores on a language placement test or satisfactory completion of a third semester course at an accredited college or university. Students who have not studied a foreign language before entering UGA would need to take three courses (e.g. SPAN 1001, 1002, 2001) or an accelerated first-year course and a third semester course (e.g. SPAN 1110, 2001) to meet this requirement.
