

## **Locker Fees and Procedure**

Hugh Hodgson School of Music  
The University of Georgia

The instrument locker assignment deadline is the first Friday of each semester. In fall semester you may pay for two semesters so that you will not need to renew in spring semester.

### **1. Payment of locker fee (\$15 per semester).**

The preferred method is by credit card at UGA Marketplace. This link is located in the lower right corner of the HHSOM main website page.

If you must pay by cash or check, please see the HHSOM accountant in room 323.

### **2. Contact for locker assignment.**

- For lockers on the first and second floor, please contact Mr. Rob Akridge. After you have paid, please email him at <raca1998@gmail.com>, giving your name, order confirmation number from online payment, and instrument. He will then verify your payment and email you back with a locker number and combination.
- For lockers on the third, fourth, and fifth floors, please contact Mr. Will Marlow <wmarlow@uga.edu>, giving your name, order number from online payment, and instrument. He will then verify your payment and email you back with a locker number and combination.
- If you pay the HHSOM accountant in room 323 (cash or check), she will notify Mr. Akridge or Mr. Marlow.
