

Course Evaluation:

Course evaluations are now conducted online utilizing the Franklin Online Course Evaluation system. Faculty members and graduate teaching assistants listed as the teacher of record are required to have course evaluations each semester. Time and /or access to computers must be made available for students to complete the evaluations.

To access the evaluations, students log in at

<https://www.franklin.uga.edu/evaluation/login.php>.

Once the deadline for grades has passed for the semester, faculty and graduate teaching assistants may access their evaluations via the following link:
